V. H. S. ON THE MOVE

According to the laws of nature, there is movement at all times. This movement is not confined to any particular section of the world, country, city, or town; neither does it mean any special type of movement. There is movement so small that it is hidden from the human eye; but, there is also a very noticeable movement: the movement of people going to and from one place and another through the events of everyday life. In school life there are many sights and sounds that prove this. Scurrying feet over the hall floors and up and down stairs in the five minutes break between classes, basketballs bouncing and fans waving wildly as they ready themselves for plenty of action, pens moving rapidly over paper or fingers busily pecking away on typewriters, shuffling of feet and tapping of pencils as the clock nears "bell time," these and many more movements make up the busy, everyday schedule in the lives of all at V.H.S.

"Which way do we turn next?" Junior and Senior officers frantically ask as they lead the Grand March.

Shangri-La

Shangri-la, presented by the Class of 1960, was the theme of the Junior-Senior Prom. It was held on May 15, 1959. The couples entered Boucher Gymnasium through a span of cherry blossoms over a white bridge. As they journeyed through the Japanese garden, they saw gaily painted Japanese screens, a gold and black pagoda in the center, and a mural of a small city in the distance. The sky presented a blue mist above the garden. Music was presented by the Phi Mu Cru Band of Ball State Teachers College. A happy evening in **Shangri-la** was memorable to all.

LULL BEFORE THE STORM

Homecoming

The annual Homecoming game was held on September 18, against Gary Froebel. After the game the students attended the traditional Homecoming Dance. The court was announced by the 1958 Junior class president, Jim Donley. Barbara Bolles was the first to approach the throne to the tune of "Stardust." Paula Snodgrass, escorted by Gary Marten and Tom Dean, was followed by Herta Dravininkas who was escorted by Bob Gore and Bob Gahl. Ed Swanson and Jim Loayza escorted Brenda Johnson. Last to step into the spotlight was Lynne Miller, escorted by Bob Boling. Sandy Sweet, Crownbearer, and Lee Black, Scepterbearer, preceded the Queen. Approaching the throne to become the 1959 Homecoming Queen was Marianne McKellips. Football co-captains Jim Donley and Dick Ebersold crowned the Queen.

"Smile for the picture!" Senior girls wait anxiously in the gym lobby for the moment to come when they can perform the annual senior girls' skit—a pre-Homecoming game amusement.

Letitia Lawler, 1959 Spring Beauty Queen, was crowned by co-captains Dave Kreider and Scotty Ward at the annual Valpo Relays, which were held on April 28, 1959. The court from left to right is Tish Lawler, Judy Jelley, Carol Eckert, Suzanne deSimon, Pat O'Malley and Sharon Meyer. It was chosen by the members of the track team. The spectators attending the Relays elected the queen. Colorful corsages of roses were presented by the Pep Club to the court.

The last few minutes find Seniors reminiscing over their past four years at V.H.S.

The End of the Beginning

Thursday evening, June 4, 1959, V.H.S. bid adieu to 177 seniors, the largest graduating class in Viking history. Not only was it the largest class, but no doubt one of the most versatile, for besides boasting four semi-finalists in the National Merit Scholarship Test, the seniors were largely responsible for one of the finest years V.H.S. has witnessed in basketball and cross-country.

The graduating seniors had chosen as their commencement representative Bob Shankland, who spoke on his topic, "Passport to

Success?" The graduation exercises were also highlighted by an address, "Forever Dissatisfied," by Dr. R. J. Humbert, President of DePauw University. Immediately following Dr. Humbert's speech, Principal King Telle presented the diplomas to the awaiting grads-to-be.

Then came the moment which signified the passage from seniors to graduate—the turning of the tassels. The members of the "class of 1959" were now alumnae.

Mr. Phillips graduated from De Pauw University where he received his Bachelor of Arts, and from Indiana University where he received his Master's Degree.

The Board of Education is chosen from the citizens of the community because of their prominence in civic affairs and their special interest in the school system. They are elected for varying terms of two, three, and four years by the City Council. The Board makes the laws concerning the schools, and these laws are enforced by the School Superintendent, Mr. Phillips.

Mr. Telle as principal of V.H.S. has endless duties in keeping the school running smoothly. He is eager to help any student with a problem and is admired and respected by the whole student body for his warm smile and for his support of scholastics, social, and athletic activities. Mr. Henkel also collects information from college and universities throughout the country, which is available to all. Mr. Henkel received his A.B. from Valparaiso University and his M.A. from Northwestern University. His secretaries are (from left to right): Mrs. Tofte, C. Stevens, B. Kuehl, P. Powell, P. ALBUM

It seems as though all the kids in Valpo can be found at Brownies after a V.H.S. football, or basketball game! So many kids, in fact, that it's a real problem to locate a seat. These teens obviously don't spend all their time at Brownies, though. No sir, they're a busy group, for there is school, plus that part-time job, a Saturday night date, and countless other things to keep a high-schooler moving. But that's the real story of students today, we guess—Teens on the Move.

At First

Just out for a breath of fresh air.

The class of 1963 got into the swing of things by electing their class officers who are as follows: Al Gott, president; Dave Carlson, vice-president; Cherie Pierce, secretary; and Bob Eiler, treasurer. A bit bewildered at first, they stepped into our hearts by participating in the various activities and by proving their scholastic ability.

As usual they encountered many problems such as getting acquainted with the school and its members, learning how to use their lockers, and the leaf searching which is required for biology. Though they'll always remember their freshman year, they are now ready to take the role of sophomores.

Juniors . . .

The Junior class officers started their year filled with many activities during the year 1961. Bob Kitchen was chosen as president, Jerry Prentiss as vice-president, Janet Eckert as secretary and Sharyl Stoltz as treasurer. The year started right in the middle of September. As 1959 drew to a close the Juniors began planning the great event of 1960—the Prom. Class spirit was at its highest peak as the Juniors discussed themes, made arrangements, and finally decorated the gym for the biggest formal dance of the entire year. As the school year ended, the members of the Junior class reflected fond memories of their first three years of high school, and departed, somewhat regretfully, their last year at V.H.S.

Have you heard the latest gossip?

'Gee' is that what we did last meeting?' asks Jim Donley, treasurer, Gary Marten, vice president and Ed Swanson, President as secretary Sally Jox, reviews the minutes.

As the members of the Class of 1960 depart from the halls of V.H.S., they will take with them many memories of their four years in high school. As freshmen, the Class of 1960 spent most of their spare time searching for leaves and pondering over first year algebra. Bewildered at first, they soon got acquainted with the school routine and began joining clubs. The big moment in their sophomore year was the selection of class rings. As juniors, the Class of '60 became responsible upperclassmen who were busy with many various activities. They attended the annual Speech Banquet and planned the Junior-Senior Prom. Finally, the class became Seniors with all the honors that belong to a graduating class. The Senior class was led by its officers; President Ed Swanson, Vice-President Gary Marten, Secretary Sally Jox, and Treasurer Jim Donley. Ellen Flood and Bob Brown, through their efforts, were chosen Valedictorian and Salutatorian, respectively. When Spring came, it brought Baccalaureate and Graduation. With the turning of the tassels, the Class of 1960 became graduates and now belong to the future.

ACTIVITIES

The room is hushed; the atmosphere is tense. It's a big moment for some V.H.S. girls for this is the moment when they shoulder responsible positions in V. Teens, a service minded club at Valpo High. The male counterpart of this group is the Hi-Y which tries to mold the good character of its members. Yes, clubs and activities play an important role in the life of the V.H.S. student. He or she can find many enjoyable hours as a part of some extra-curricular group. All students can find activity which appeals to them as the clubs are organized for quite varied purposes and objectives. So always keep in mind that high school has much to offer besides that which is found in the classroom.

Pep Club . . .

At the beginning of the year Mrs. Schiek turned over her duties as sponsor of the Pep Club to Miss Black. Mr. Richardson and Mr. Crum.

This year the Pep Club had more than four hundred members all of whom supported the teams consistently. At the home football games, the goal posts were decorated. The Pep Club made the traditional paper football through which our team burst onto the field. During the basketball season the Pep Club forms a block section. This year the girl members exchanged their green pep hats for white ones. When the Vikes played at home the Pep Club also made the traditional paper basketball and the large sign behind the block section. Tickets were sold for out-of-town games and buses were scheduled to transport the cheering block. Throughout the year, posters in the halls informed students of all sports activities. The Pep Club sponsored the Kick-Off, Homecoming, and Basketball dances.

"Let's get this poster made!"

Y-Teens

The Y-Teens this year have new sponsors, Miss Craig and Mrs. Bush. These two and the board led the club through a year filled with activities. The mixing bowl welcomed new members who were later inducted at an impressive candle-light service. The Y-Teens sponsored the King of Hearts Dance in February. Together with the Hi-Y, the Y-Teens helped in sponsoring the Christmas Formal. The year ended traditionally with the Mother-Daughter Banquet and the announcement of the officers for next year.

Silver

Bells

"Silver Bells" was the theme of the 1959 Christmas Formal, held in Boucher Gym on December 19. The Y-Teens and Hi-Y Clubs co-sponsored the dance for the first time. A large flocked tree in the center of the floor could be seen as couples entered the gym through a path lined with Christmas trees and a small pool. Michael Golden and his orchestra provided the music for dancing. Santa Claus directed the Grand March, led by Y-Teens President Ann Swihart and her date, and by Hi-Y President Larry Klemz and his date. Couples had their pictures taken in front of a gigantic silver bell on the stage. Covering the rest of the stage was an enormous Winter scene depicting a church and a couple silhouetted in black.

High stepping Mike Butterfield!

The Valparaíso High School Marching Vikings, under the direction of Mr. Robert G. Miller, had a very busy season. The band started pre-school practices three weeks before school started and marched in the Riverview Mardi Gras Parade. The Vikings marched at all of the home games and provided a different type of entertainment for each one. The band, led by Drum Major Mike Butterfield, received a first award in the V.U. Homecoming Parade. They also won a first Division award and a "Sweepstakes" award at the state marching contest.

The Concert Band also had an eventful year. It presented a winter concert, a school convocation and a spring concert. In February, many of the band's members entered the state solo and ensemble contest and received awards for their ability. The con-

"Checkmate!" This is the cry that has issued forth from Room 207 on Friday afternoons. Under the sponsorship of Mr. Maier, the Chess Club has had an active year with the regular games, and a club tournament.

The purpose of the Speech Debate Club is "to preserve and advance the art of public speaking." Under the sponsorship of Mr. Hummel, its activities were limited mainly to roundtable discussions and informal debates. Through this club, students begin to actually speak and debate in front of an audience.

By following a purpose which is to create an interest in Biology among the students of V.H.S., the **Biology Club** performs many interesting functions under the guidance of Mrs. Carolyn Bush. A main project this year was experimenting with protozoan culture. The club heard two speakers from Valparaiso University and saw many educational films. In the spring it took a field trip to the dunes.

The purpose of the **Science Club** is to bring together the students interested in science and help them in gaining extra knowledge of the subject. This year besides having speakers who spoke about many interesting fields of science, they also took some field trips around Valparaiso. Through the work of the sponsor, the officers, and the members themselves, the year was very successful.

The students of V.H.S., who are interested in becoming teachers belong to the Future Teachers of America Club. At the meetings, the club holds discussions of the teaching profession, has panels of students and teachers, and has special speakers from the different schools. President Judy Pifer and Vice-president Pat Ireland planned the meetings and were

assisted by Secretary Linda Bauer, and Treasurer Chuck Worden.

Most of the Senior members of the club have gained practical experience through the club's most important function—cadet teaching. These students have gone to the different grade schools of the school system and assisted the teachers in their classes.

Beginning last summer at the Student Librarian's Workshop at Indiana University and ending with a group trip in the spring, the Student Librarians had a very busy year. Under the direction of Mrs. Decker, three entertaining books night were held by a group that boasts officers in state and district library associations.

Girls on the Move

Seniors and new members of G.A.A. enjoy punch, cookies, and "stuffed teddy bears" at the annual big and little sister party

The annual coke-tail party started the G.A.A. year. The officers presented the aims and activities planned for the club, while the board members presented a skit to get the prospective members interested in their sport. At the weiner-roast, highlighted by a scavenger hunt, all freshmen and new members became "little-sisters" of the senior members. After this, things settled down and the nicks and bruises began. The year's sport schedule provided fun as well as helpful knowledge in getting along with others.

In March, the club sponsored the Sadie Hawkins dance, at which all members and their beaus were married by the Marr'in Sams. The year was finally closed with the G.A.A. Banquet. The seniors presented a skit; awards were given to the members with the highest points. The evening was concluded with the announcement of the new officers.

STUDENT COUNCIL OFFICERS

The Student Council of 1959-1960 headed by President Bob Gaul, Vice-President Jerry Prentiss, Secretary Lynne Miller, and Treasurer Larry Klemz had various important functions to perform. Its members are representatives of the entire student body and have to approve every school function before it can even be considered. The council served as a means for solving many problems arising within the school during the year. Besides attending to routine duties, this year's council amended the Constitution and adapted it more to existing conditions. The above, and many other worthwhile undertakings were successfully carried out by the Student Council, aided by its sponsors, Mr. Mundy and Mr. Rump.

Assignments! Research! Deadlines! Re-writing! Correcting! Spacing! Many more words such as these are heard each day by the 1960 Valpost staff as they endeavor to publish the bi-weekly ~~copy~~ of the school paper. Under the direction of the Editor-in-chief Nancy Groverman and sponsor, Mr. Crum, the editorial staff spent long hours at work so that the Valpost could go to press.

The 1930 Valerian Staff, under the direction of Mr. Brown, first began to take shape a year ago when the new editor-in-chief Lynne Miller, and her staff were chosen.

This summer Lynne and Art Editor Ellen Guild attended the Indiana Journalism Institute where they gained valuable information for production of the yearbook.

Pat Johnson, head of the copy department, and Carol Sedgwick, Photo Editor, completed their work with the assistance of Associate Editor Linda Bauer. Associate Editor Sandra Rosenberg assisted Brenda Johnson, Layout Editor, and Ellen Guild in their departments. Photography is credited to Mr. Sutton of Sutton's Studio and students Hugh Howard and Mike Butterfield.

Wes Bucher and Chuck Worden were selected as co-business managers, with Chuck handling the bookkeeping and Wes directing the sale of subscriptions.

ATHLETICS

Probably the only silent moment the Pep Club experiences at any basketball or football game is during the playing of the Star-Spangled Banner. Otherwise, it is enthusiastically prodding the Viking squads on to victory, and there is a good reason behind its spirited approval of the Vikes, for many fine teams have borne the standards of V.H.S. Many are the students who have, besides developing physically, found hours of great enjoyment, teamwork and self-discipline in basketball, football, or any of the other available sports.

"Letters, we get letters"

The V-Club was organized in 1947 to promote a greater interest in athletics at VHS. Its members must be varsity letter winners in any major sport. If a member of the club is found guilty of undesirable conduct, the V-Club has the authority to take his letter away and discontinue his membership.

Some of the highlights of the 1970 football season were a 97 yard run by running back Ed Swanson at T. L. Miller and a fumbled ball which was recovered in mid-air by tackle Gary Maten who ran 15 yards for the last touchdown of the Penn Han game. According to Coach Miller, the team was plagued with injuries throughout the entire season. Coach Miller also commented that the Lew Wallace game was the best play-

game from a coaching standpoint. The Vikings fought hard and won the game 14 to 10 to the Lew Wallace Hawks. The Vikings ended the season with a record of 2 wins and 2 losses. For the first time in the last 10 years the Vikings broke their tradition by winning two consecutive games. The Vikings' defense was led by tackle Dick Erickson and running back Jim Dooly.

The 1959-60 Swimming Team, under the coaching of Mr. Rhoda, had a record breaking year. Five individual records and two relay records were broken during the season. Three of these five individual marks were broken by Senior Ed Johnson. The Viking Aquamen finished

the season with 14 wins and 4 losses. They also won the Western conference and placed third in the NIHSC conference. At the beginning of the season the team elected two honorary co-captains, Wally Wilson and Ed Johnson.

The Valpo Vikings compiled a fine record of 15 wins and 10 losses during the 1959-60 basketball season. The team improved steadily through the year and climaxed the season by winning the Sectional Tourney for the fourth consecutive year. The Vikings were eliminated by East Chicago Washington in the first game of the Regional.

Two individual scoring records were broken during the season by captain John Watkins. A new single game record was set by John when he scored 43 points over Chicago DeSalle and he also compiled 526 points for a new season total record. John Flynn served as the other elected captain.

In the spring of 1959 the Viking baseball team played a season with six players; two starters, nine substitutes and two technicians. The Vikings participated in an eleven game schedule in the West N.H.C. By beating East Chicago Washington and Gary Horace Mann, they ended up with a record of two wins and eight losses. With this second season, under the coaching of Mr. Rhoda, the Vikings gained valuable experience.

After winning the conference championship in 1957 and 1958, the V.H.S. cross country varsity finally went down in defeat to Emerson for the conference championship at the Forest Park Course. Previous to this meet, Valpo had won thirty-two consecutive victories in the conference. During the season Valpo defeated such teams as Michigan City,

Hobart, LaPorte, Knox, East Chicago Roosevelt, Froebel, Hammond, and East Chicago Washington.

Led by co-captains, John Worstell and Bob Harding, the Vikings placed nineteenth in State after qualifying in the Valpo Sectional with fourth place. Coach Pifer has commented that the prospects for the next years are fine.

Worstell receives his placement number.
